

CEIAG Curriculum overview

At Dixons Croxteth Academy, our mission is that we ensured all children succeeded at university, or a real alternative, thrived in a rewarding career and had a purposeful and happy life. Our values of determination, integrity and respect support this mission and our language, routines and structures constantly reinforce the metaphor of ‘climbing the mountain’. Our drivers of ‘mastery, autonomy and purpose’ ensure all students are intrinsically motivated to achieve their full potential and see the doors education can open
