

Home Learning at Dixons Croxteth

At Dixons Croxteth Academy, we build a partnership between carers, students, and teachers that puts learning first. We help our students value learning by teaching them to take ownership of their own success. Home learning activities play a significant role in a pupil's educational journey and wider development.

Why is Home Learning so Important?

When our long-term memory is altered, we have learnt something. However, when we are exposed to new information, we instantly begin to forget it. Over time, the amount of original information retained significantly reduces unless it is revisited often.

Our home learning strategy is designed to allow students to frequently revisit powerful knowledge, interrupting the forgetting process.

There are three strands to our Home Learning Strategy:

Read. Cover. Write. Check. (RCWC): This is a paper-based task.

Sparx Maths: Online.

Seneca Learning: Online.

Expectations – all years

Staff	Pupils	Carers
Set one Home Learning activity per week, per teaching class.	Complete all set Home Learning activities/tasks.	Sign up for Seneca and Sparx Maths parent communications.
Monitor Home Learning task completion.	Attend any corrections for failure to complete Home Learning activities/tasks.	Monitor the setting and completion of Home Learning activities/tasks.
Issue corrections to any pupils that fail to complete the set Home Learning task.	Act on any feedback given by teachers.	Encourage and support pupils to complete all Home Learning activities/tasks.
Provide guidance and support to aid pupils in completing Home Learning activities/tasks.	Complete RCWC activities.	Encourage pupils to complete RCWC activities.
Provide meaningful feedback to pupils on their completed work.
